My Vision as Chair

- Continue and build on the current Commission's strategic work
- Promote ethical, inclusive, and innovative education
- Foster global collaboration through academic networks
- Support knowledge exchange and capacity-building
- Create synergies by bringing in perspectives and realities from other parts of the world
- Increase women's participation and visibility in our profession

Quality education is the foundation of excellence in land surveying

WE ARE STRONGER TOGETHER

If I am honored with this role, I will serve with **dedication, dignity, and respect.**

I am ready to lead Commission 2 — with your trust and support.
